

WEATHER FORECAST - EUROS 2020 UYCA

Issue: MON, 28.09.2020, 08:30 CEST

Weather forecast ATTERSEE:

A low pressure system over the Adriatic Sea is responsible for a lot of clouds and rain showers today, temperatures about +10 degrees are expected. The wind is in the beginning very weak and partly calm. It shifts to westerly directions and accelerates in the afternoon, especially in the northern parts of the Attersee.

Tomorrow on Wednesday until noon dry with westerly currents, in the afternoon more clouds and some showers, winds are weak from West to Southwest.
