

WEATHER FORECAST - EUROS 2020 UYCA

Issue: SAT, 03.10.2020, 08:30 CEST

Weather forecast ATTERSEE:

A low-pressure system in western Europe leads to foehn conditions in Austria. Today there are high clouds decreasing the thermal wind. In temporary sunny spots the easterly winds forces up. In the later afternoon a weak cold front reaches the Attersee region. The wind turns to westerly directions but stays moderate. There can be few light rain showers, thunderstorms are not expected.

On Sunday it will be foggy in the beginning, during the day again foehn conditions with high clouds and thermal wind from the east in sunny spots.
